

33<sup>CLASS</sup> 8<sup>MM</sup> 

# SUNFLOOR

Living better is easy!

 **kastamonu**

## **Sunfloor** laminate flooring is a modern classic with a pronounced character of natural wood.

Speaking of coziness and comfort, we immediately imagine Sunfloor: reliable, warm, and natural.

Visually fully meeting the requirements of our ancestors for wooden floors, Sunfloor is a modern eco-friendly product made of high-quality domestic natural raw materials with the use of advanced international technologies.

Thanks to the UNICLIC lock connection Sunfloor is easy to assemble and maintain. Sunfloor is a product by KASTAMONU, which is produced at Europe's largest wood processing plant located in the city of Yelabuga (Republic of Tatarstan). It is certified according to the standards of Russia and EU.

# Specifications
