

CERTIFICATE OF CONFORMITY

33/PB/116/2022

AIDIMME, Metal-Processing, Furniture, Wood and Packaging Technology Institute, herewith certifies the external supervision regarding formaldehyde content of

KASTAMONU ROMANIA, S.A.

37 Ierbus Street, Reghin,
545300 Mures
Romania

for the product

Melamine Faced Particleboard PB, MFC type P3
in the thickness range 8 mm up to 38 mm

with a classification of E1

The external supervision includes a continuous surveillance of the company's internal production control and a bi-yearly testing of random samples according to the "Regulation on the classification and external supervision of wood-based panels regarding formaldehyde emission (DIBt-Richtlinie 100)" and the requirements for emission class E1 for melaminated faced boards stated in the standard EN 14322.

This certification has a maximum validity up to 15th September 2023.

Date of issue: 15th September 2022
