- Cubic Serisi, düzenli ve düzensiz geometrik panelleriyle metropolün ritmini yansıtırken, LED entegrasyon özelliğiyle ışık ve formu bir arada kullanmak isteyenlere yaratıcı alternatifler sunuyor.
- Trian Serisi, dağların ve tepelerin güçlü hatlarından esinlenen üçgen formlarıyla mekânlara enerjik ve çarpıcı bir karakter kazandırıyor.
- Wave Serisi, denizin akışkanlığını ve dalgaların ritmini yansıtarak ortamlara hareket ve derinlik katıyor.
- Norm Serisi ise düz ve yalın formuyla doğadaki dingin dengeyi temsil ediyor; farklı ölçü kombinasyonlarıyla çok yönlü ve esnek çözümler sağlıyor.

- The Cubic Series reflects the rhythm of the metropolis with its regular and irregular geometric panels, offering creative alternatives for those who want to combine light and form with its LED integration feature.
- The Trian Series gives spaces an energetic and striking character with its triangular forms inspired by the powerful lines of mountains and hills.
- The Wave Series reflects the fluidity of the sea and the rhythm of waves, adding movement and depth to environments.
- The Norm Series represents the tranquil balance found in nature with its flat and simple form; it provides versatile and flexible solutions with different size combinations.
